

A series of ten horizontal lines, evenly spaced, spanning the width of the page. These lines are positioned to the right of the black bar, creating a set of ten horizontal rows for text entry.

... I would hope that we can reduce the cost of the new pro forma QVC Group will look like, all of HSN, all of Q, all of zu, some of the exchangeable bonds and some other assets. And so we're still on track for that thing to get done Q1 of 2018.

Gregory B. Maffei, Chief Executive Officer, Liberty Interactive Corporation

... I would hope that we can reduce the cost of the new pro forma QVC Group will look like, all of HSN, all of Q, all of zu, some of the exchangeable bonds and some other assets. And so we're still on track for that thing to get done Q1 of 2018.
