Note 1 – Basis of Presentation, page II-33

1. We note that the fair value of your ownership interest in TripAdvisor, held before December 11, 2012, was determined based on the trading price of TripAdvisor common shares on the last trading day prior to the transaction. We also note that on the first day you received these shares you transferred the right to vote the shares to Barry Diller through the stockholder agreement between you and Mr. Diller. Tell us how you considered the absence of voting rights in determining the fair value of your previously held ownership interest.
